

AAF: Biden Doesn't Seem to Want Israel to Win

TOPLINE: Israel is fighting to ensure its existence. Meanwhile, the Biden Administration is actively undermining Israel.

Mission Defined: For Israel “absolute victory” means:

1. Destroying Hamas and any other immediate existential threats.
2. Bringing the hostages home alive.
3. Restoring regional stability and peace in the Middle East.

Underminin’ Biden: In order to appease its far-left antisemitic base, the Biden Administration is actively hindering Israel’s military strategy. For example, the Biden Administration has:

- > 800 Biden staffers [anonymously](#) calling for a ceasefire.
- Pushed for a [two-state solution](#).
- [Renewed](#) an Air Force base in Qatar **without leveraging it to free hostages.**
- [Pressured](#) Israel into an unconscionable 3:1 Hamas terrorist to hostage exchange.
- Called for “[getting Israel out of Gaza.](#)”
- Made “[tactical demands](#)” of Israel that directly result in strengthening Hamas.
- Urged a transition to “lower intensity” [fighting](#), putting Israeli forces at risk.
- [Allegedly](#) considered withholding military aid to coerce Israel into backing down.
- Restored [\\$730 million](#) in funding to UNWRA, whose employees [celebrated](#) and [participated](#) in the October 7th attack.

Tehran over Tel Aviv: President Biden has empowered Iran at every opportunity.

- Ensured a nuclear Iran by rolling back the Trump-Pence “maximum pressure” [strategy](#) and removing the Houthis terrorist designation statuses.
- Unfroze \$6 billion for Iran and allowed for Iran to export more oil to China.
- **Embarrassing:** The Biden Administration’s Iran strategy is [compromised](#) by Iranian spies.

V.P. Mike Pence Stands with Israel: Earlier this year, Pence traveled to Israel, seeing the conflict firsthand. “The war should end when her military goals are achieved, and not a moment sooner.” – V.P. Pence

Congress must unapologetically stand with Israel and hold Biden accountable:

- Continue to stand with Israel until the mission is accomplished.
- Hold the Biden Administration accountable for a flailing Middle East foreign policy and slow-rolling Israel’s war efforts.
